OUR STORY

FROM LOCAL RESOURCES TO GLOBAL MARKETS

WHY

ADONAI Agro & Energy Services LTD WAS ESTABLISHED

Nigeria possesses enormous agricultural resources and a diverse range of commodities with strong potential in international markets.

However, the journey from local production to international trade requires an organized value chain.

Products must be properly sourced, assessed, handled, packaged and coordinated for delivery. Buyers also need suppliers they can trust to communicate clearly and fulfil agreed requirements.

ADONAI Agro & Energy Servuces LTD was established to participate in this value chain.

Our purpose is to create a dependable connection between the resources available within Nigeria and the growing demand for agricultural commodities, biomass and hardwood charcoal in international markets.

OUR BUSINESS JOURNEY

THE FOUNDATION

ADONAI Agro & Energy Services Ltd began with a focus on creating opportunities within Nigeria's agricultural and natural-resource sectors. The company identified the potential of Nigerian commodities to serve customers beyond the domestic market.

BUILDING THE SUPPLY NETWORK

The business developed relationships within the commodity supply chain, creating access to products and suppliers while focusing on dependable sourcing.

DEVELOPING EXPORT CAPABILITY

With an international outlook, ADONAI positioned its operations toward export trade and began building the processes required to serve international customers.

EXPANDING PRODUCT OPPORTUNITIES

The company's focus extends across agricultural commodities, biomass products and hardwood charcoal, creating multiple opportunities to serve different market requirements.

THE GLOBAL VISION

The long-term objective is to strengthen ADONAI's Agro & Energy Services Ltd position as a reliable Nigerian commodity partner and expand its connections with buyers and businesses around the world.

OUR BELIEF

We believe that Nigeria's resources can create greater value when they are connected to well-structured international markets.

Our role is to help build that connection through:

RESPONSIBLE SOURCING
